The shore. It had approached within the to bosen their purse-strings. We warrant to bosen their purse-strings. We warrant to bosen their purse-strings.

Miles IMMER.

It of one of the small islands, towards which the got a goodly contribution:

A power is on the carth and towards think afraid.

And the strings and money-exchanges, and traders, and generals the carth and towards the air, and money-exchanges, and traders, and money-exchanges, and traders, and generals, and generals are the carth and traders, and generals are traded to be in a trader of the string of the string

THE EDITOR'S ADVISORS Says one, your subjects are too grave, Too much morality you have-Too much about religion; Give me some witch or wizard tales, With slip shod ghosts, with this and scales, Or feathers like a pigeon.

I love to read, another cries, Those monstrons fightionable lies— In other words those novels Composed of kings, and queens, and lords, Of border wars and gothic hordes, That used to live in hovels,

Of such confounded love-sick stuff, To erase the fair ereation; Give us some recent foreign news Of Russian, Turk, the Greeks and Jews,

Another cries, I want more fun, A witty anseriate or pun, A releas or a riddle , Some long for missionary news, And some, of worldly enrual views, Would like to hear a fidule.

Another cries, I want to see A jumbled up variety— Variety in all things; A miscellaneous hodge pedge print Composed—only to give that hint— Of marritarions small things.

I want some marriage news, says miss, It constitutes my highest blies. To hear of weblings plenty; For in a time of general rain, None suffers from a drought tis plain-At least not one in twenty.

I want to hear of deaths, says one, by besses, fire, or fever; Another answers, full as wise, I'd rather have the fall and tise Of racoon skins or beaver

Some signify a searct wish for now and then a savery dish Of politics to suit them But here we not at perfect case. For should they swear the moon was cheese. We never would dispute them.

Or grave or hamorous, wild or fame, Lotty or low, 'tre all the same, Too lamplity or too humble; And every collected wight Has mought to do but wint is right, And let the grambler grambl

> (From Dickens's Household Words.) Hush!

I can searchly hear?" she marmared, · For my heart beats loud and fast; But surely in the far, far distance, I can hear a sound at last

 It is the request singing, as they carry home their sheaves; And the evening broade has risen, And rustles the dying leaves.

"Listen! there are voices talking;"
Calmly still she streve to speak;
Yet her voice grow frint and tembling.
And the sea the bed in bree check.
't'll is only the children playing. Below, how their work is done, And they lough that their eyes are dussled By the rays of the setting sun."

Falater grew ber volce, and weaker, As with anybors eyes the valid,
bown the aroune of chestants
I can hear a horseman ride "
o It is only the deer that were feeding
In a head in the clover grass. They were startfed, and fled to the thicket,

As they saw the respers pass

Now the night prose in silence,

caught by a projecting stump, where for over twenty-four hours of the multitudes on the shores, who efforts of the multitudes on the shores, who F. & F. Rice, into the rapids from the ferry above.
